

December 23, 1932

Mr. C. E. Boyle
Ethyl Gasoline Corporation
Canadian Office
302 Bay Street
Toronto 2, Canada

Dear Mr. Boyle:

In accordance with your letter of December 14th, I have written to Dr. A. W. Hunter about the question of carbon monoxide in relation to the combustion of Ethyl Gasoline. I am attaching a copy of the letter for your information.

Very truly yours,

RAK:IS
