Subject: RE: [SPAM] WaPo story out this morning

“It seems Representative Cummings is misconstruing the facts. Renzi Stone, a friend of Administrator Pruitt and regent to the University of Oklahoma, simply connected Pruitt to the athletic department. Pruitt purchased the tickets at face value from the OU athletic department. To report otherwise, is false.” – EPA spokesman, Jahan Wilcox

Hey Jahan,

Could I get a comment on this ASAP? I'm writing quickly so I'll add in what you send if it comes after my piece is up.
