

Acme INDUSTRIES, INC. 600 N. Mechanic St. Jackson, Mich.

* **COMPLETE AIR CONDITIONING
AND REFRIGERATION SYSTEMS**

* **ADVANCED DESIGN COMPONENTS**

Look to Acme for all types of air conditioning systems. Acme supplies a complete line of air conditioning and process cooling equipment including packaged liquid chillers; and remote room conditioners, air handlers and multi-zone units for use in direct expansion or chilled water systems. Acme water saving equipment includes evaporative condensers, indoor-outdoor cooling towers and outdoor cooling towers.

In addition, Acme offers a complete range of self-contained air conditioners.

Acme components for built-up systems have long been recognized for excellent quality. All major manufacturers of air conditioning and refrigeration equipment have used Acme components for many years.

Call your Acme sales engineer for details on how he can help you with your air conditioning or process cooling problems.
