Dear Vinyl Chloride Health Committee Members:

At the close of business today, I will resign from the CHEMSTAR Department of CMA and return management of the Committee to Dr. Has Shah. Most of you are familiar with CHEMSTAR's high level of commitment to Panel issues and activities, and therefore, you can be sure that your needs will be met without interruption. If you have any questions or concerns, please call Dr. Shah at (703) 741-5637.

It has been a great pleasure serving you.

Sincerely,

Robert A. Venezia

Robert A. Venezia, Dr.P.H.
