Mr. Murray Kupsaw
Rogers Corporation
1 Technology Dr.
Rogers, Conn. 06263

Dear Mr. Kupsaw,

Enclosed are copies of brochures we typically send our customers in the gasket business who request information on asbestos and health. They include the following:

1. AF-208 - Remarks by Thomas O. Mathues
2. PR-494 - Mechanical Packings and Gasketing Materials Containing Asbestos Fiber
3. HSE-23F- Health Concerns Related to Asbestos Products
4. HSE-34L-6711 - Before You Begin
5. HSE-20L-186 - What You Should Know About Asbestos and Health
6. HSE-11PR-185-Recommended Safety Practices for Handling Asbestos Fiber
7. AF-91 - Chrysotile Material Safety Data Sheet
8. AF-204 - We'd Like You to Consider Asbestos . . . .
9. AF-199 - Industrial Safety Product News
10. Ad - Monsters live only in your mind
11. " An absence of truth separates the real from the unreal
12. " Fear lives in the shadows of uncertainty
13. Ad No. 2802-9 81099-5 - When our asbestos is used in the manufacture of gaskets. . . .
14. " " 41081-9 - We've developed better handling. . . .
15. " " 41083-6 - We help our customers meet regulations. . . .
16. " " 257-N3313 - Asbestos is not a problem when handled properly.
17. " " 257-N3313 - Asbestos is not a problem when used properly.
18. Mortality Experience of Residents in the Neighborhood of of an Asbestos Plant
19. Malignant Mesotheliomas in a Small Village in the Anatolian Region of Turkey
20. An Investigation of the Use of Asbestos Cement Pipe for Public Water Supply and the Incidence of Gastrointestinal Cancer in Connecticut

21. Asbestos, Health and Johns-Manville
22. Dust Control Techniques in the Asbestos Industry
23. Summary Taken from "Asbestos Exposure from Gasket Operations"
24. Copy of Label

We also have a movie and a slide show entitled "Working with Asbestos" that many of our customers have shown their employees.

Very truly yours,

D. M. Kelleher
Vice President and
Merchandising Manager
Asbestos Fibre Division
