Asbestos

Please see the enclosed letter from Brown Insulating Systems, Inc. regarding our remaining inventory of Amosite Asbestos which we sold to them.

At the time we sold this material to Brown, we had no other home for it; Brown paid us essentially the price we paid for the material, and we would probably have gotten only a fraction of that if we had sold it elsewhere. For this reason, I think they should be given the benefit of the doubt, and a corrected invoice should be issued to reflect the quantities shown in their letter. Will you please arrange for this.
