Hey there. I got tied up on a call with the Administrator. Any chance we can reschedule to tomorrow? Name the time.

Hey Rita! Can I touch base with you next week? Looking for some solid in-state event ideas.

Hi Tate,

It was great to meet you on the DC Delta flight to Tulsa the other week. Thanks for your contact info. If I can ever be of help with anything please let me know.

You said you wanted me to put you in contact with my wife who works in the forestry industry. She was the one who told me your Annapolis story that she heard during the event with EPA and USDA at one of her members tree farms in GA. I believe you said you had some forestry questions so I am cc'ing Rita on this email. So feel free to reach out to her.

Please give Jackson my best and take care!

Take care,

Matt
