Mr. A. V. Williams
Services Coordinator Director
Drilling Specialties Company
Bartlesville, Oklahoma 74004

Dear Van:

On December 12 you dropped me a note stating that you did not have any published information on your product Flosal. Now that this product has been in the field for quite sometime and apparently has been successfully used, no doubt you do have some technical information that could be passed on to us.

We would appreciate your advising us of any information that you may have.

Very truly yours,

Dan Elkins
