RE: State of Delaware/Formosa Plastics

Upon return from the Executive Board Meeting in Washington yesterday, I found the attached letter from the Secretary of the State of Delaware, Department of Natural Resources and Environmental Control, John E. Wilson, III waiting for me. I know you will be interested in this letter and his comments.

Separately, I will be contacting Mr. Wilson to establish a dialogue between his department and the Vinyl Institute.

We will keep you advised.

Roy T. Gottesman
