Subject: Revised handout (page 4) for today's EA conference call

Attached is a revised ppt presentation for this morning's Exposure Assessment conference call.

Only page 4 has changed, so if you printed a copy of the earlier version, you may reprint only this one page and swap it into the original.

Best Regards - Bruce.

Bruce,

We change a bit on page 4. Will you please send out this version to the expected call participants? I'll call you too.

Thanks.
