From: Katie Smythe, on behalf of the Telomer Research Program

Subject: TRP Document Submission (Study Report)

On behalf of the Telomer Research Program (TRP) and its member companies – Asahi Glass, Clariant, Daikin, and DuPont – the following study report is submitted to the EPA for inclusion in Administrative Record 226 [and/or Docket OPPT-2003-0012]. This report is for a study conducted for the TRP on the Atmospheric Fate of Fluorinated Alcohols. The results of this study have been summarized and presented previously to the Agency by the TRP. A study summary is also provided to accompany the final report in the Administrative Record.

This study report was mentioned in the March 14, 2003 TRP Letter of Intent – Appendix 3 (p. 11) as one of the items that the TRP would submit to EPA as part of its commitment to information exchange.

None of the attached files contain information claimed as Confidential Business Information (CBI) under TSCA. Please let me know if you have any questions about the documents or if you have any difficulties opening the attached files.

Best regards,

Katie Smythe
TRP Administrator
