A That is correct.

That is how he did his study, worked with the union to do his study.

Q There was no surprise to labor that asbestos can cause this disease?

MR. IGNATOWSKI: Objection.

THE COURT: Sustained.

Q Are you aware in 1967 he stood before the union leadership and said, if you quit smoking cigarettes, you can wipe lung cancer out in your entire trade?

MR. IGNATOWSKI: Objection.

THE COURT: Overruled.

A I forgot the exact words.

I agree with the statement that Dr. Selikoff made that -- with regard to the risk of an asbestos worker if they smoke. And he certainly was right in trying to encourage asbestos workers to not smoke.

MR. McGOWAN: May I approach, Your Honor, the witness?

May I approach?
