Building Material

Price Cuts Announced

SEATTLE, May 6 (AP)—Reduc-
tions of from 25 to 75 per cent
on building materials and 10 per
cent on new and used lumber,
were announced today by George
Matheny, president of a long-es-
tablished Pacific Northwest build-
ing supply firm.

"We've got the money, the jobs
and the material, and we're put-
ting more than \$10,000,000 worth
of building materials on the mar-
ket," Matheny said in a telegram
to President Truman, advising
him of the firm's action.

The firm is wrecking three Army
camps and housing projects in
Oregon from which it is salvaging
toilets, pipe, wiring, wash basins
and lumber.
