Telex 05-267551 - Cable Code: Mattec, Montreal

MOODY/SI "MARK II" ASBESTOS FIBRE FLUFFER

PRICE LIST covering shipments to the UNITED STATES

- (1) only - MOODY "MARK II" Asbestos Fibre Fluffer as described
on the attached bulletin.
- Complete with 3-groove V-drive, feed table, and steel pusher
 - But NOT including electric motor and control

PRICE MODEL FM64 Single Stage Unit \$ 840.00

PRICE MODEL FM642 Two Stage Unit \$ 1,040.00

The above prices are payable in U.S. FUNDS

F. O. B. MONTREAL, QUEBEC, CANADA

Prices INCLUDE all duties.

NOTE:

We recommend a 5 H.P., 1750 R.P.M. motor. The V-drive is set to operate the cylinder at approximately 870 R.P.M.

The same motor operates both stages through a power take-off on the cylinder shaft.
