

You plan the interiors with hundreds
of inspired colors and textures
in vinyl prelamated to wallboard by U.S.G.

You take the benefits of TEXTONE® Vinyl-Surfaced Gypsum Panels. From our two-volume library you and your designer select durable vinyls to be prelamated to fire-resistant gypsum wallboard. Thousands of design combinations will help create any environment to please any tenant. These TEXTONE Panels enable you to decorate as you build. Vinyl surfaces eliminate painting and cut maintenance costs. Panels adapt to U.S.G. Wall Systems. Ask your U.S.G. man to see our coordinating Selector Library and our USG® **UNITED STATES GYPSUM** Demountable Partition Systems. 101 SOUTH WACKER DRIVE, DEPT. B-91, CHICAGO, ILLINOIS 60606
