Dear Mr. Parker:

Thank you for your letter of February 18. Dr. Selikoff is tentatively planning to attend the meeting being arranged at 1:00 p.m. on March 24 in Pittsburgh. He also plans to be available should you want to meet with us prior to meeting with management. Unfortunately, Mr. Samuels has a prior commitment on that date.

Please let us know when a site has been chosen.

I look forward to meeting with you.

Sincerely,

Edwin C. Holstein, M.D.
