

SLIP some U.S. 22 NRA in that rifle of yours the next time you go target shooting or out for small game.

They're record breakers—famed the world over for their extreme accuracy at all distances up to 200 yards. They're game getters—effective on all small game birds and including woodchuck.

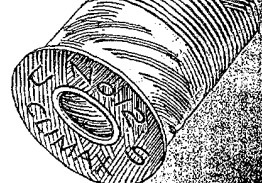

Furnished with solid lead bullet for target work and hollow point bullet for small game shooting, 50 to a box.

For downing the high-flyers

THE high shot that is beyond the range of the ordinary shell is well within the reach of Clinton Heavies.

What's more, these powerful heavy loads are well within the reach of the average man's pocket-book. They meet the demand for high-powered, long-range loads at a moderate price.

10, 12, 16, 20 and 40 gauge.
