Message: Peter -- look + compare to M. Strauss's
"verbatim + critique" of the Z-G study -- I think
she identified most of the "cross-overs" +
excluded workers.

If you experienced any difficulties in receiving this transmission,
please call (503) 528-7151.

Note: We now have a separate fax line and can receive telefax
messages automatically. If the message is urgent, please follow-up
with a telephone message because the telefax receiver is in a
