

1 A Yes, you would.

2 Q Would that be a dusty process?

3 A Yes, it was.

4 Q In fact, in the past you have testified that
5 the spray would be so thick in the room that it would
6 cause you to choke and at times even spit up blood; is
7 that correct?

8 MR. DOUB: I object.

9 THE COURT: Overrule. You may answer, sir.

10 A That is true.

11 Q Sir, I just have a couple of questions about
12 the Commercial Credit job.

13 In addition to the Zonolite spray that Mr.
14 McGowan talked to you about, am I correct that USG
15 Fire Coat was also used at that jobsite?

16 A Yes, it was.

17 Q And the plasterers were also using their
18 brown coat and the gauging plaster and that was,
19 again, a USG product.

20 A Yes.

21 Q And would the trade name of that plaster be
