

*Assumptions* — The amounts recorded for contingent asbestos-related liabilities and recoveries are based on assumptions and estimates derived from our historical experience and current information. If our assumptions about the nature of the pending unresolved bodily injury claims and the claims relating to the CCR-negotiated settlements, the costs to resolve those claims and the amount of available insurance and surety bonds prove to be incorrect, the actual amount of our liability for asbestos-related claims and the effect on the company could differ materially from our current expectations.
