A little more... You guys will like Eileen. She is VP of government and regulatory affairs for mosaic and a friend. She is also close to gov Rick scott and Ag bondi. It would be an easy just meet and greet dinner and I would be with her. Or if rather not do dinner if could find a slot of time that week. She was just hoping to meet him with me.

Wanted to give you background. And if ok mosaic Rep Eileen Stuart will be in D.C. Week of Sept 11. Wanted to see if we could have that dinner slot Nat Geo is postponing. Make sense?
