**Subject:** Congrats & Meeting Request

I wanted to first congratulate you on your confirmation, but also request a meeting with you to discuss the issues impacting the appliance industry within OAR. The SNAP program and the ENERGY STAR have significant impacts on our industry and we have some very important and urgent matters that are impacting manufacturing of appliances. I will be in DC on December 5 & 7 if you are available on either of those days. Thanks for considering and look forward to meeting with you. I may have some AHAM member companies join me because that week is also our Board meeting in DC.
