Dr. R. F. Kurz,
Socony-Vacuum Oil Company,
4140 Lindell Blvd.,
St. Louis, Missouri.

Dear Dr. Kurz:

Thanks very much for your letter of July 12, concerning the possibility of having the next meeting in St. Louis. I should be very happy to have it in St. Louis, and I shall do what I can to further your efforts. In that connection I have forwarded a copy of your letter to Jack Bloomfield, who is the president of the A.I.H.A. In addition Bloomfield is active in the organization of the governmental industrial hygienists, and in my opinion this group should be induced to meet with us if it is at all possible.

Sincerely yours,

Robert A. Kehoe, M. D.
