May 26, 2017

Mr. Ryan Jackson

United States Environmental Protection Agency

1200 Pennsylvania Avenue, N.W.

Washington, D.C. 20460

Dear Mr. Jackson,

On behalf of the Air-Conditioning, Heating, and Refrigeration Institute (AHRI), the trade association representing over 300 manufacturers of residential and commercial air-conditioning, heating, water heating, and commercial refrigeration equipment, I would like to cordially invite you to speak at our upcoming Executive Committee meeting.

The AHRI Executive Committee meeting will take place from 11 AM to 3 PM Eastern Standard Time on Monday, June 19, 2017 at the Capitol Hill Club, located at 300 First Street SE, Washington, D.C. 20003. We would be honored to have you speak at a time convenient to you during the event for approximately 25 minutes (including 10 minutes of Q&A) on energy, taxes, and any other major issues the 115th Congress is undertaking that you feel would be pertinent for our member executives to hear about.

I greatly appreciate your consideration of this request. You or your staff can reach me at 703-293-4871, or at JTrauger@ahrinet.org, to follow up.

Sincerely,

A handwritten signature in cursive script, appearing to read "Joe Trauger".

Joe Trauger

Senior Vice President, Policy and Government Relations

Air-Conditioning, Heating, and Refrigeration Institute
