Got it. Thanks for getting back to me, and if plans change please let me know. We can be fluid.

If the Administrator is travelling to PR tomorrow, is it ok for us to tell our members about “Smart Sectors” and that RER will be participating? Didn’t know if the change in plans meant the launch event is still moving forward.

Thanks, Duane

Duane,

Was just talking with Daisy and was set to reach out. Unfortunately, the Administrator's plans are in flux tomorrow and he may be needed to travel with the President to Puerto Rico now. We are still finalizing. Therefore, we unfortunately can't commit to doing this. I will certainly let you know if that changes, but hopefully we can have him address your group another time!

Good morning, all –

Hope your weekends were great.

We're hoping to finalize our agenda for RER's meeting tomorrow. Do you think it will be possible to let me know if Administrator Pruitt plans to attend our lunch by 4 pm today?

If you need more time to nail it down, that's ok too, and we can react nimbly tomorrow morning.

Don't hesitate to call me if you need more info. My office direct is 202-351-6760, and my cell is 202-309-3628.

Many thanks,

Duane

Hi Duane,

I'm terribly sorry, but I still am not sure. Would Monday be too late to confirm with you? We have a few moving pieces and unfortunately we haven't yet gotten certainty around them.

I will let you know as soon as I can. Thank you for your patience!

Hello Hayley, Daisy and Millan --

Following up from our emails earlier this week.

Thought I'd just touch base to see if you had a better sense as to whether Administrator Pruitt's plans may allow him to come to the RER event at the Newseum, on Tuesday afternoon around 12:30.

Thanks, and have a great weekend--

Duane

Hi Duane,

Thank you for offering the below opportunity for the Administrator to meet with the Real Estate Roundtable. We have a few tentative items on the calendar prior to the Smart Sectors launch that day that we should get figured out in the next day or so. Once we do that, I will be back in touch and able to let you know if this could work. We'd certainly love to do it if we can. I'll try to get you an update tomorrow before you head out of the office.

Thank you!

Thank you, Daisy.

Hayley and Millan -- I'm in the office tomorrow, but out on Friday.

As our event at the Newseum is next Tuesday, should we touch base tomorrow to see if this indeed works on the Administrator's calendar?

Perhaps a call at 9:30, 10:30 or 11 am tomorrow to touch base? If yes, let me know which number I should call to reach you.

Or, you can call me this evening on my cell at 202-309-3628.

Many thanks,

Hello Daisy –

It was great to speak to you earlier. Following up on our earlier conversation, we really appreciate Administrator Pruitt's invitation to participate in the Smart Sectors strategy – and RER would be delighted to join the partnership. Thank you.

Also as discussed, while we can't unfortunately make the 3 pm launch event @ EPA, if Administrator Pruitt's schedule could accommodate, we'd be honored to have him address our meeting briefly (15-20 minutes) at around 12:30 pm -12:45 pm.

The meeting will be held just up the block from EPA, at the Newseum, @ 6th St. and Pennsylvania Ave. Our anticipated attendees, and working agenda, are attached.

The attendees will include familiar names to the Administration and encompass some of the top real estate CEOs and other senior executives in the nation.

If we can make it work, our Board member and Chairman of our Sustainability Committee -- Tony Malkin, the CEO of Empire State Realty Trust – would introduce the Administrator with some short opening remarks. It would then be a great opportunity for Mr. Pruitt to talk about the Smart Sectors strategy for about 15 minutes and other priorities for EPA – perhaps leaving time for an audience question or two.

The Oct 3 meeting is closed press. If this works out, I will also then follow up with information for any security detail.

Looking forward to hearing back from you – and collaborating going forward.

Best,

Duane

Subject: Smart Sectors + Launch Event w. Adm Pruitt Invite

Duane,

Thank you for calling me back yesterday and sorry I've taken so long to respond! Attached is some more information about the EPA Smart Sectors Program, and below is the invitation to the launch event.

Let me know if The Real Estate Round Table is interested in joining the partnership and participating in the event.

On behalf of U.S. Environmental Protection Agency Administrator Scott Pruitt, I would like to invite Jeff DeBoer to attend the launch of EPA's Smart Sectors Program. The event will be held at 3:00 PM on October 3, 2017, at EPA Headquarters in the William Jefferson Clinton North Building in the Green Room.

Through our collaborative partnership, Smart Sectors will demonstrate measurable results for the environment and the economy by building relationships and improving customer service to your sector; developing additional expertise in your industry's operations and environmental performance; and informing the planning of future policies, regulations, and agency processes.

We hope Jeff will join Administrator Pruitt for the Smart Sectors launch and ask that you RSVP to me (letendre.daisy@epa.gov) by September 22, 2017 if possible. If you or Tony are unable to attend, please feel free to share this invitation with another member of your association's leadership.

In addition to the launch event with Administrator Pruitt, we will be publishing a Federal Register notice announcing the program.

I hope to see you in October. As always, don't hesitate to reach out with any question or concerns.

All best,

Daisy C. Letendre
