For each alleged other injury, disease or condition, identify all evidence upon which you base this contention.

ANSWER:

Defendant objects to this Interrogatory to the extent that it seeks information exempted from discovery by the attorney work product privilege. Subject to the foregoing objection and without waiving same, Defendant is not aware of information at this time to make this contention. However, Defendant reserves the right to supplement this answer after the completion of discovery.

INTERROGATORY NO. 10:

Please state the name of each and every person having knowledge of facts relevant to this action including most recent address and present telephone number, along with the experience and qualifications, if applicable, of each and every person, known to Defendant's agents, including, but not limited to:

INTERROGATORY NO. 16:

Before 1980, did Defendant receive notice that any individual who at any time was employed by the Defendant claimed injury as a result of exposure to asbestos? If so, state:

- A. The name and address of each claimant;
- B. The date of notice of each claim;
- C. A description of the claim;
- D. The type of injuries allegedly sustained by each claimant;
- E. The name and address of each attorney who represented each individual making a claim;
- F. The style and court number of each claim;
- G. The disposition of each claim that has been settled or taken to judgment.
- H. The name, address and title of the person having custody of the records pertaining to each such claim.

ANSWER:

Defendant objects to this Interrogatory for the reason that it is overly broad, unduly burdensome, harassing, immaterial, irrelevant, and not reasonably calculated to lead to the discovery of admissible evidence. Moreover, to research and assemble the requested information would be oppressively and unreasonably expensive in light of its lack of relevance.

INTERROGATORY NO. 17:

Before 1980, did Defendant receive notice that any individual who at any time was employed by any Railroad claimed injury as a result of exposure to asbestos? If so, state:

- A. The name and address of each claimant;
- B. The date of notice of each claim;
- C. A description of the claim;
- D. The type of injuries allegedly sustained by each claimant;
- E. The name and address of each attorney who represented each individual making a claim;
- F. The style and court number of each claim;
- G. The disposition of each claim that has been settled or taken to judgment.
- H. The name, address and title of the person having custody of the records pertaining to each such claim.

ANSWER:

Defendant objects to this Interrogatory for the reason that it is overly broad, unduly burdensome, vague, ambiguous, and not limited to the time period during which Plaintiff worked for this Defendant. Moreover, discovery is in its infancy; Defendant presently does not know the specific areas in which Plaintiff worked during his employment with this Defendant.

INTERROGATORY NO. 18:

Has Defendant at any time published, distributed or displayed any printed material, including brochures, pamphlets, catalogs, warning signs or statements, packaging or other written material of any kind or character containing any warning concerning the possibility of injury resulting from the use of asbestos-containing products and/or exposure to airborne asbestos? If so, state:

- A. The exact wording of each warning statement and a description of the material upon which the warning was printed;
- B. The method(s) used to distribute the materials to persons likely to use the asbestos-containing products or likely to be exposed to airborne asbestos;
- C. The date each warning was first issued or distributed;
- D. The name, address, and job title of each person responsible for having drafted or issued the warning statements and/or written materials;
- E. The current location of any such printed material and the custodian thereof,
- F. The form in which such literature or printed material can be accessed, i.e., the manner in which such literature is indexed or stored.

ANSWER:

Defendant objects to this Interrogatory for the reason that it is overly broad, unduly burdensome, and is not limited to the time period during which Plaintiff worked for this Defendant or to the areas in which Plaintiff worked. Subject to the foregoing objections and without waiving same, it is believed that Defendant did post warning posters, concerning the hazards of asbestos, in the shops where the railroad workers were employed. Investigation will continue during the discovery of this matter and our response will be supplemented as required.

Subject to this objection, and without waiver of it, any such now existing materials as are discovered will be provided.

INTERROGATORY NO. 19:

Did Defendant install, replace, use, repair, assemble, transport or store, either as an original appurtenance of the railroad or placed in/on the railroad in conjunction with repairs or alterations to the railroad, any asbestos-containing products during the time Plaintiff worked for Defendant? If so, identify:

- A. By name and number each of Defendant's railroad(s), whether operating or in railyards, upon which the asbestos-containing product(s) were installed, repaired, used, stored or transported during the time Plaintiff worked for Defendant;
- B. The particular type of asbestos-containing product(s)-,
- C. The trade or brand name of each of the asbestos-containing products;
- D. The years during which each named asbestos product was applied, stored, used, repaired, installed or transported either as an original appurtenance of the railroad or placed on/in the railroad in conjunction with repairs or alterations to the railroad(s); and
- E. The dates of any removal or abatement of such asbestos-containing products, from Defendant's railroad(s).

ANSWER:

Objection; requires responding to more than thirty interrogatories, including sub-sections. Also, unduly burdensome, oppressive, and harassing. Moreover, unduly broad and therefore irrelevant, unless limited to products in places to which this Plaintiff may have worked (if at all) for the railroad. Without knowledge of the specific years during which this Plaintiff worked for the railroad, if at all, the physical location of employment, and the craft or trade which Plaintiff followed, it is simply not possible to provide answers to this interrogatory, without regard to the objections which have been made.

INTERROGATORY NO. 20:

Did any entities or persons at Defendant's direction, whether direct or indirect, including but not limited to contractors and subcontractors install, replace, use, repair, assemble, transport or store, either as an original appurtenance of the railroad or placed in/on the railroad in conjunction with repairs or alterations to the railroad, any asbestos-containing products during the time Plaintiff worked for Defendant? If so, identify:

- A. By name and number each of Defendant's railroad(s), whether operating or in railyards, upon which the asbestos-containing product(s) were installed, repaired, used, stored or transported during the time Plaintiff worked for Defendant;
- B. The particular type of asbestos-containing product(s);
- C. The trade or brand name of each of the asbestos-containing products;
- D. The years during which each named asbestos product was applied, stored, used, repaired, installed or transported either as an original appurtenance of the railroad or placed on/in the railroad in conjunction with repairs or alterations to the railroad(s); and
- E. The dates of any removal or abatement of such asbestos-containing products, from Defendant's railroad(s).

ANSWER:

Objection; unduly burdensome, oppressive, and harassing. Requires Defendant to answer more than thirty interrogatories. Moreover, unduly broad and therefore irrelevant, unless limited to products in places to which this Plaintiff may have worked (if at all) for the railroad. Without knowledge of the specific years during which this Plaintiff worked for the railroad, if at all, the physical location of employment, and the craft or trade which Plaintiff followed, it is simply not possible to provide answers to this interrogatory, without regard to the objections which have been made.

INTERROGATORY NO.21:

If the answer to any portion of the preceding interrogatory is in the affirmative and/or if any asbestos-containing products are identified in response to such interrogatory, state the following as to each identified product:

- A. The name(s) of the railroad workers repairing, replacing or using each asbestos-containing product on Defendant's railroad(s) during Plaintiff's period of employment by Defendant;

- B. A description of the physical appearance of each of the named asbestos-containing products-,
- C. A detailed description of the uses of the named asbestos-containing products;
- D. A detailed description of the areas on Defendant's railroad where such asbestos-containing products were installed, replaced or used.

ANSWER:

Objection; unduly burdensome, oppressive, and harassing. Requires Defendant to answer more than thirty interrogatories. Moreover, unduly broad and therefore irrelevant, unless limited to products in places to which this Plaintiff may have worked (if at all) for the railroad. Without knowledge of the specific years during which this Plaintiff worked for the railroad, if at all, the physical location of employment, and the craft or trade which Plaintiff followed, it is simply not possible to provide answers to this interrogatory, without regard to the objections which have been made.

INTERROGATORY NO. 22:

- B. The particular type of asbestos-containing products acquired;
- C. The trade or brand name of each of those asbestos-containing products ordered, purchased, supplied or distributed;
- D. The years such asbestos-containing products were acquired, ordered, purchased, supplied or distributed by Defendant;
- E. The dates of any removal or abatement of asbestos-containing products.

ANSWER:

Objection; unduly burdensome, oppressive, and harassing. Requires Defendant to answer more than thirty interrogatories. Moreover, unduly broad and therefore irrelevant, unless limited to products in places to which this Plaintiff may have worked (if at all) for the railroad. Without knowledge of the specific years during which this Plaintiff worked for the railroad, if at all, the physical location of employment, and the craft or trade which Plaintiff followed, it is simply not possible to provide answers to this interrogatory, without regard to the objections which have been made.

INTERROGATORY NO. 23:

If your answer to any portion of the preceding interrogatory is in the affirmative, or if any asbestos-containing products, are identified in response to that interrogatory, state the following as to each product:

- A. The name(s) of the company(ies), entity(ies), manufacturer(s) from which the asbestos containing products were acquired, ordered, purchased, supplied or distributed;
- B. The date(s) each asbestos-containing product was ordered, purchased, supplied or distributed;
- C. A description of the physical appearance of each of the named asbestos-containing product;
- D. A detailed description of the uses of the named asbestos-containing products;
- E. Identify the last year that Defendant ordered, purchased, supplied or distributed each identified asbestos-containing product.

ANSWER:

Defendant objects to this Interrogatory for the reason that it requires Defendant to answer more than 30 Interrogatories, including subsections, in violation of Rule 168(5) of the Texas Rules of Civil Procedure. Defendant further objects to this Interrogatory for the reason that it is overly broad, unduly burdensome, vague, ambiguous, and not limited to the time period during which Plaintiff worked for this Defendant. Moreover, discovery is in its infancy; Defendant presently does not know the specific areas in which Plaintiff worked during his employment with this Defendant. Without knowledge of the specific years during which this Plaintiff worked for the railroad, if at all, the physical location of employment, and the craft or trade which Plaintiff followed, it is simply not possible to provide answers to this interrogatory, without regard to the objections which have been made.

INTERROGATORY NO. 24:

State whether Defendant maintained from 1950 through the present copies of invoices, shipping receipts, bills of lading, purchase orders, or other documents of a similar nature relating to the purchase or acquisition of asbestos-containing products. If so, state:

- A. The location of such documents;
- B. The name and address of the custodian of the documents;
- C. The format in which the documents are kept, i.e. hard copy, microfilm, microfiche, etc.;
- D. In what form the documents can be accessed.

ANSWER:

Objection; unduly burdensome, oppressive, and harassing. Requires more than thirty answers. Without waiver of this objection, it can be said that this Defendant, like other corporations, did have records of purchase of products, equipment and supplies used on its railroad; at present there is not known to have been any segregation of such purchase records solely for asbestos containing products, nor any centralization of such records, whether with regard to asbestos products or otherwise. Among other reasons, this lack of centralization of any such records is one reason by the request is unduly burdensome and harassing, especially in view of Plaintiff's refusal to answer basic discovery about the periods of time, location, and craft by which he was employed, if at all, by this Defendant.

Without waiver of the foregoing objection, this interrogatory will be supplemented if responsive information not subject to any privilege (all of which, if any, are hereby asserted) can be found.

INTERROGATORY NO. 25:

Identify all persons, including name, address and telephone number, who provided and/or conducted or were responsible for conducting any type of safety training, during the time Plaintiff was employed by Defendant.

ANSWER:

Objection; unduly broad in scope. Also, requires more than thirty answers. Moreover, and without waiver of this objection, Defendant is unable to answer without knowledge as to the period of time, physical location, and craft in which this Plaintiff was allegedly employed by Defendant.
