Doug:

Please see attached, from KHW's awesome policy analyst Megan Ingram. Please let me know if you need anything else.

Hope you're trip was great. Thanks again for being such a TPPF advocate!

Kevin

Hi Kevin,

Here is the list of names and associated bios that Kathleen has compiled. She especially recommends Dr. Michael Honeycutt of the TCEQ, so we have listed his bio first on the main list of the entire group, and have also included a separate document exclusively for him – including his bio and two testimonies to Congress.

Please take a look and let me know if there's anything I can change.

Thank you,

Megan
