GENERAL SUPERINTENDENT

February 17, 1942.

Dr. Robert A. Kehoe,
Kettering Laboratory of Applied Physiology,
University of Cincinnati,
Cincinnati, Ohio.

Dear Dr. Kehoe:

Your letter of February 4 was very much appreciated. This was just the information I needed to go back at Mr. Porter, the publisher of "THE PAPER FORMAT".

In reply to my letter Mr. Porter has informed me that he has taken the matter up with the chemist, Mr. Lassen, but so far I have had no comments from him.

Yours very truly,

THE LAKE ERIE VARNISH COMPANY

E. W. Fasig
