ADOPTED IN 1903.

The poppy was adopted as
California's official flower by
act of the legislature in 1903. A
better choice could hardly have
been made, because the golden
poppy, better than any other
flower, symbolizes the state's
wealth of sunshine and mineral
gold.

Poppy day is to spread the
bright flowers along the high-
ways for enjoyment of motorists
and travelers.

Years ago flower lovers sowed
poppy seed along the highways,
so that poppies still bloom along
our older roads," says Mrs.
Eileen Oppl, club president.

"We want to sow poppies
along our new highways now,
as well as replace those along
the older roads which have been
destroyed by vandalism."

In charge of this afternoon's
poppy program in Dunne hall is
Miss Clare Percy Westphal.

policemen today and ordered
entire case opened for a new
inquiry.

"The only definite con-
clusion we have reached is that
the boys—Donald Allan and
Barber—were beaten while
in police custody," declared
commission President William
Berger in announcing the sus-
pensions.

"We are trying to find out
who did it," he added, and
indicated the commission
one of the suspected men
