

AMERICAN OCCUPATIONAL MEDICAL ASSOCIATION

HOWARD N. SCHULZ
EXECUTIVE DIRECTOR

DORIS L. FLOURNOY
ASSISTANT EXECUTIVE DIRECTOR

150 NORTH WACKER DRIVE

CHICAGO, ILLINOIS 60606

(312) 782-2166

Dear Doctor:

We have not yet received your response to the Needs Assessment survey of AOMA members. As we indicated, your response will provide the basis for development of our Occupational Medical Education Program in the future. As our membership is relatively small, your needs and background are important!

The Needs Assessment survey accompanying this letter takes only 10 minutes to complete. A self-addressed return envelope is also enclosed to assist your completion and return of the survey. Our Association needs your assistance now.

In the event that you have already returned a completed survey please disregard this request.

Sincerely,

Donald L. Hoops, Ph.D.
Director of Education

DLH/rd

P.S. We will initiate our computer processing of the Needs Assessment survey on March 16th. We need your input prior to this date.

March 6 1979

*I wrote to Dr. Gurt, informing him that I would not vote in the
selection of officers in the Occupational Medical Association and asking him to
inform the officers of that organization since I do not know any
of the primary officers. The way I have been treated*
