REFER TO LETTER OF

v. Kaiser Shipyard

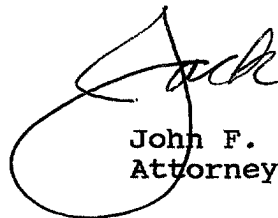

#3, et al.

REDACTED

Tony,

Yesterday I spoke with Al Moresi with regard to the above captioned. I am enclosing copies of 2 letters which he had forwarded to me recently. I was under the impression that you had already been in contact with Mr. Moresi with regard to the worker's compensation matter, however, I learned that he has not yet been able to speak with you. I would appreciate it if you would look over these letters and get in touch with Mr. Moresi as to the future handling of the matter.

If there is anything further you need from me, please feel free to give me a call.
