TRANSACTIONS, published by ASHRAE and its predecessor societies since 1895, now appears in a new size (8½×11¼ in.) and contains double the number of technical papers included in the previous volume. The 1963 TRANSACTIONS, in addition to containing an unabridged compilation of technical papers presented at national meetings of the Society, a financial statement, and necrology, also offers for the first time a chronological listing of ASHRAE past presidents, national meetings, Fellows, and award recipients. Bound, cloth-covered.

ASHRAE TRANSACTIONS is not distributed to members as part of the services available to them upon payment of dues, but may be bought at the special member rate.
