Andrew,

We are pleased to invite you to speak at the Western Caucus Foundation's Energy Forum to discuss **"America's Energy Dominance Fueling Prosperity"** with Congressional Western Caucus Chairman Paul Gosar (AZ-04), Representative Mike Coffman (CO-06), Representative Ken Buck (CO-04), Representative Scott Tipton (CO-03), and Senate and Congressional Western Caucus Staff on Friday, June 29th in Englewood, CO. Please see the attached event invitation with current agenda outline (a detailed agenda will be released soon).

Specifically, we would like you to make comments regarding on how the EPA is accelerating America's energy renaissance which will benefit states, local governments, and residents. We'd also like you to participate in a round-table discussion on why pursuing an all-of-the-above energy approach to American energy benefits consumers, the economy, and the environment. Our events include presentations and constructive conversations on federal regulatory and public policy issues that have been typically classified as "Western," but are now having an impact both the economy and land use in other parts of the country.

This event is by invitation only. This event is planned to fully comply with congressional ethics rules and other applicable laws.

The Western Caucus Foundation (WCF) is a 501(c)(3) not for profit organization committed to educating public policy makers and communicating with the public in an effort to enhance, sustain, and preserve the principles and culture of the American West. The Foundation provides support, education, outreach, and networking opportunities to advance the public policies important to the West, and offers Western Caucus members, staff, and stakeholders a non-partisan and non-political organization to facilitate discussion of critical Western issues through a robust agenda of meetings, conferences, education programs, and communications.

Thank you for considering including this event on your busy calendar. Please contact me at info@westerncaucusfoundation.org or Ex. 6 Personal Privacy (PP) regarding you attendance or questions on the event.

Sincerely,

Darrell Henry | Executive Director
