**Subject:** RE: Good meeting you today

Great. On the Groundswell opportunity, I forgot that we are not meeting next Wednesday as we have an awards thing we are doing instead. However, if someone wants to have some time to present on successes in the first year on the following Wednesday sometime between 10 and 11:30 am, let Myron Ebell and me know and I will get it scheduled. Typically it is about 10 minutes of presentation and 10 minutes of Q&A. There is no expectation that the Administrator or anyone else needs to stay. If you decide it is something that you want to do, I'll get you the location details.

Thanks again and look forward to helping tell the EPA story.

Rick

Liz: Please expect to begin getting Americans for Limited Government's statements and daily distribution of pieces we write on a variety of limited government topics, including one's of interest to EPA.

Also, would you please provide my email address to your colleague who was with you, so we can connect as well?

Thank you,

Rick Manning
