"That's Boy" proudly presents new WINSOMER—the new, new Nalkyd flat interior finish! Today's brand-new WINSOMER offers you beautiful colors that are delightfully planned to go together in perfect harmony... as well as a paint made from special Nalkyd resin, an exclusive product of "That's Boy" research.

LOOK AT THESE EXCITING NEW COLORS

Colors go planned for harmony! Every hue is loved to go together perfectly with every other WINSOMER hue. Combinations harmonize beautifully with each other, too. That makes color charming easy, allows the use of a variety of colors without risk of clashing, and assures a unified, harmonious effect within a room and from one room to another.

These colors are also planned in harmony with the most popular colors used in rugs, draperies and upholstery.

Soft, glare-free flat finish in which all rooms look their best! The new WINSOMER gives a smooth, rich-looking, modern finish even on difficult surfaces.

Colors benefit you'll like: a new solution solvent used in WINSOMER makes painting pleasant any time of year, and its rapid drying speeds the room back into use. WINSOMER is economical, too. One coat covers most surfaces with a rich, smooth finish. It goes on like a dream—in easy to apply. For modern beauty and new life in your rooms—use WINSOMER!
