Makes sense. Let's leave them there. Any other cheat sheet notes on background for these folks?

Thanks, Tate... on the meeting list, Jim Atterholt, our Utilities Reg Commission Chairman, was Gov Pence's CoS and has worked on the WOTUS issue fairly extensively. As has the IDEM director. Only reason I included them. Happy to cut down the list. Just letting you know the thinking.

Will work through these and whatever other questions you have tomorrow.

Good here! Strongest array of state leaders thus far slated for one of our state Capital meetings. Nice!

I would say for the Capital meeting you don't need Utilities Reg Commission or IDEM unless your boss wants to raise other topics following the WOTUS discussion (totally fine).

Is the Starkey Farm meeting indoors? Who will MC? I'll follow up with some other logistical and format questions tomorrow.
