Michael,

I'd like to just confirm full legal names of all attendees coming in with you tomorrow afternoon—I'll create your visitor's passes with that information. And if you have any materials you'd like to bring in, please let me know. We look forward to seeing you then.

Best,
Thalia

Good afternoon Under Secretary Winberg: It was great to see you and Secretary Wright at CERAWEEK! Austin and I really appreciated our discussion with you and Kevin. Thank you for making the time.

As a follow-up, Austin will be visiting DC briefly next week (Wednesday / Thursday) and we would welcome the chance to meet with you while he is in DC.

I understand your schedule is tight. If this works for you, we are happy to work with Thalia to find a time that best fits your schedule.

Thanks for considering and I hope all is well!

Respectfully,
Michael

P.S. Great to hear you are speaking at the CCUS event next week too!
