RE: Johnson's Company - 43 G²

As you requested, I am sending a list of claims on this group, showing, among other things, the age at death and the date of death.

This group is operated from the Canadain Head Office.

This group was written in 1929 at T + 42 which has been the rate ever since. However, the rate is to be increased to T + 25 as of the renewal date, July 1, 1944.
