Ms. Skipwith,

Thank you for speaking with Sheri Pais on July 6 regarding scheduling of a meeting to discuss ESA issues. The meeting would be with Mr. Don Baur, representing the Western Urban Water Coalition (WUWC) and Mr. Galen Schuler, representing Green Diamond, would very much appreciate this opportunity to discuss these important issues with you. They are available to meeting in person at your office, or they can also meet by phone if preferred.

I understand you will be out of the office through July 24, if possible we would propose the first week of August. As you suggested, I can work with your scheduler to set something up.

Please let me know if you have any questions or would like any additional information about this request.
