Hey Hannah,

I hope you are doing well! I wanted to flag for you that Rep. Taylor recently introduced H.R. 3608 - Connor's Law. Essentially, this bill codifies President Trump's executive order requiring all CDL holders to be proficient in the English language. A one-pager summary and bill text are attached to this email for your review! I have heard that FMCSA is working on enforcement mechanisms for the President's executive order, and I would be very interested to know when those are released! This issue is important to Rep. Taylor, so if our office can be helpful in this process or if you have any questions about the Congressman's bill, please do not hesitate to reach out!
