Hey Tate,

Thanks for the quick response. Preston Cory reached out, and I am going to get him and Rich Keigwin synched up with our team working on this issue.

I hope things are going well and you have found time to get home to Kentucky!

Thanks,

Mac

Hey there. Roping in Preston with Intergov and Derrick with OPP. They can work with the pesticide folks to get you what you need. Hope all is well. -Tate

Hey Tate,

What office in the EPA overseas Tick and Mosquito Repellent Regulations? The Governor is very concerned about the proliferation of Lymm disease and we are preparing an initiative around combating it.

I hope you have a great weekend!
