

1 problems for more than 20 years, and have yet to learn
2 of a single case of health problems resulting from
3 exposure to Kaylo dust.

4 Your Honor, at this time I would move into
5 evidence OCF-116.

6 THE COURT: The date?

7 MR. MCGOWAN: The date, Your Honor, is
8 December 19, 1966.

9 THE COURT: It will be admitted into
10 evidence.

11 (Whereupon, Defendant's OCF Exhibit Number
12 OCF-116 was received into evidence.)

13 MR. MCGOWAN: This is to Mr. B.E. Boyd,
14 Toledo, from Mr. John Marshall Briley from Toledo.

15 If you look at this part here first, it is
16 desirable that we show on all cartons in which we
17 deliver Kaylo products a label or stamp reading as
18 follows:

19 This product contains asbestos fiber. If
20 dust is created when this product is handled, avoid
21 breathing the dust.
