General Attorney

New York City 16

Dear Van:

I have been out of the city and have just, today, been able to get at your letter of October 27th and, also, the report.

I have written to Ed Shuman who is in charge of our Paterson plant and asked him to attend this meeting and luncheon. Mr. Shuman is somewhat familiar with the subject of Asbestosis and I hope that he will be able to attend the meeting. I am not returning the original report entitled PART ONE - EXPERIMENTAL STUDIES, as I would like an opportunity to read and have one or two of the persons in our organization study it. When may I return it to you?

Kindest regards and best wishes.

Sincerely,

LJS:ELM
