Subject: P-3097 EDC Exposure

This is to schedule a meeting on May 7, 1990 at 2:00 PM in the P/T control room to talk about the EDC Exposure Regulations project. The proposed agenda is:

- Explain project approach
- Identify areas / equipment that can be modified easily to reduce EDC exposure.
- Brainstorm ideas / suggestions to implement those changes to reduce EDC exposure

After the meeting is finished we would like to spend some time in the units to start the cost estimates for the ACT preparation.
