

October 9, 1969

N O T I C E

We are pleased to announce that effective November 1, Mr. R. F. "Dick" Harman is appointed Plant Manager of Toledo Distribution Center.

Dick's past experience as Supervisor of Drafting Department of Universal Joint Division, General Foreman and Plant Superintendent in the Power Equipment Division should be of great assistance in his new position.

We are sure that with your cooperation and Dick's ability we will continue to improve our operations in serving Dana's customers in the distribution and replacement parts business.

W. E. Herring
General Manager
