Is it too late for Johnson to bring a staffer?

Yes, just make sure each attendee fills out the WAVES form. All individuals arrive through the State Place and 17th Street security hut. Please make sure everyone has a photo ID with them upon entry. There is no parking, so a drop off is preferred if possible. Let me know if you have any questions, and feel free to give me a call if you need!

Good Morning All –

We have one hour allotted for this meeting if need be, I would expect half an hour but we have some wiggle room if necessary.

In the case that timing doesn't work out we have a conference line. The Director's Suite is located in (b)(6)

Happy to hear that, Elise! We have 30 minutes budgeted for the meeting on James and Pace's calendars. Brittany can speak to Director Vought's calendar.

Would that time frame work for Senator Scott?

Looks like they will be done voting around 2pm! How long do you expect the meeting to go? My boss is probably going to catch a flight back to (b)(6) asap but need to chat with him in the morning.

So glad to hear, Chloe! Elise, totally understood. Let's plan on having the meeting at EEOB. Please keep our teams posted on votes as we get closer to 3:00 pm tomorrow. I will inquire about the possibility of virtual attendance for the meeting in case that option is needed.

Please fill out the following WAVES form for your bosses as soon as possible!

Thanks! Happy to make this work if we are done with votes or not in the middle of votes. I'm not sure when we will have clarity on that. If we can't make it to the EEOB could he join virtually? Or, if there is enough notice, we would be happy to host here.

Hi Chloe and Elise,

White House OMB Director, Russ Vought, and White House OLA Director, James Braid, would like to meet with Senator Johnson and Senator Scott tomorrow at 3:00 pm to discuss spending. This meeting would take place at OMB's office in the Eisenhower Executive Office Building.

I have attached Director Vought's Executive Assistant, Brittany Young, and OLA's Director of Operations, Colleen Harmon, for awareness. Please let us know if this works for the Senators. Upon confirmation, I will send over WAVES links for the Senators to complete.

Thank you,
