Has the summit been recorded, other than the first hour, and if so can I please access a recording of it?

Thank you,
Malini

Ok. Is the summit being recorded, so that the whole event can be made available for viewing later?

Thank you, yes, I watched it. Does that mean that there will be no live-streaming of the rest of the summit, either today or tomorrow?

Hello,

I was wondering if the whole PFAS summit was being live-streamed today and tomorrow or only certain segments, and if so, which ones.

Thank you,
Malini
