Subject: Thank you

Hey Byron,

I just wanted to send a quick note to say thank you for taking the time to meet with me and Swift Fuels the other day. I'm glad we were able to bring to your attention the endangerment finding on leaded avgas—as you heard from the Chris and Rob with Swift Fuels, it's an important issue in the GA community.

Let me know if I should also follow up with Mandy on this as it's a Clean Air Act issue...not really sure how the portfolios are being split up over there but just want to make sure I am talking to the right people and not cluttering up your inbox.

Thanks again and talk soon!

Spencer
