Hi Tate,

I hope this email finds you well. I spoke to Khary yesterday after y'all's conversation and wanted to reach out about the April 12 science event. This is something our members care a lot about. As you begin planning an event for that, please keep me posted as I know many people that would want to attend. And please don't hesitate to reach out if there is any other way we can be of service.

Thanks,
Hilary
