RE: Counsel's Request For IMMEDIATE Review And Response - PVC Rulemaking

Attached is a February 10, 1986 memo from Jerry Heckman, the VI Legal Counsel, that is an addition to the material sent to you by Federal Express on February 5, 1986.

Counsel's letter addresses interpretations of the RVCM limitations contained in the proposed rule and requests information on commercially feasible RVCM levels to guide any further discussions with the FDA.

Sincerely,

Meredith N. Scheck
